

Outline for FRHD*1010 DE01 F20

Guidelines for Reviewing this Outline

As of Fall 2017, all online course offerings now include an Outline in PDF format that replaces the HTML Outline that was previously used in courses. This new Outline allows instructors and students to quickly access information in one document that can easily be downloaded, saved, and printed. The separate Schedule page in CourseLink no longer exists; all assessment due dates have been incorporated into the new Outline. Below are some guidelines to keep in mind when reviewing the Outline.

- The Outline has been customized to each course and includes information that was previously available to students in the CourseLink site. If any information is missing or needs to be updated, please use the [track changes feature in Word](#) to mark your edits.
- The Outline is organized into nine sections which should not be rearranged, removed, or reformatted. If you have any questions or concerns about the organization or formatting of the Outline, please contact the Online Course Preparation team at onlinecourseprep@opened.uoguelph.ca.
- The Outline contains some information that is standard across online courses at the University of Guelph. The information in the following sections should only be modified if there is an error.
- **Course Details:** calendar description, pre-requisite(s), co-requisite(s), restriction(s), and method of delivery.
- **Course Technologies and Technical Support:** CourseLink requirements, accessibility and privacy policies for technologies used in the course, and contact information for CourseLink Support.
- **Course Specific Standard Statements:** acceptable use, netiquette expectations, submitting assignments to Dropbox, obtaining grades and feedback, and rights and responsibilities when learning online.
- The **University Standard Statements** are derived from the Undergraduate / Graduate Calendars and are incorporated as per the [AVPA's Course Outline Checklist](#).
- There may be text in the Outline highlighted in yellow. This is information that the Online Course Preparation team has identified as missing or requiring confirmation. Please update the information accordingly.

Please review the Outline thoroughly and submit your approved version electronically with the [Fall 2020 DE Course Preparation Survey](#) by **the due date provided in the preparation email**. Information about your Graduate Teaching Assistants and the date and time of the final exam can be added to the Outline at a later date.

Once you submit the Outline, the Online Course Preparation team will convert it into an accessible PDF file and upload it to the course website. This cover page will not be included in the final version of the Outline that is posted to CourseLink.

Communicating with Your Instructor

During the course, your instructor will interact with you on various course matters on the course website using the following ways of communication:

- **Announcements:** The instructor will use **Announcements** on the Course Home page to provide you with course reminders and updates. Please check this section frequently for course updates from your instructor.
- **Direct email to the instructor:** If students have a question or an issue that is personal, please directly email the instructor (e.g., accommodations for the quiz).

- **Other Issues:** This is open to **all students so please feel free** to post additional questions here.
- **Study Buddies:** Please do not use the class listserv to find study partners. This is the place to request partners and then you arrange the meetings.

Please note that a TA will post the answer in 2 to 3 business days. Make sure that you are specific about your question/concern.

Netiquette Expectations

For distance education courses, the course website is considered the classroom and the same protections, expectations, guidelines, and regulations used in face-to-face settings apply, plus other policies and considerations that come into play specifically because these courses are online.

Inappropriate online behaviour will not be tolerated. Examples of inappropriate online behaviour include:

- Posting inflammatory messages about your instructor or fellow students;
- Using obscene or offensive language online;
- Copying or presenting someone else's work as your own;
- Adapting information from the Internet without using proper citations or references;
- Buying or selling term papers or assignments;
- Posting or selling course materials to course notes websites;
- Having someone else complete your quiz or completing a quiz for/with another student;
- Stating false claims about lost quiz answers or other assignment submissions;
- Threatening or harassing a student or instructor online;
- Discriminating against fellow students, instructors, and/or TAs;
- Using the course website to promote profit-driven products or services;
- Attempting to compromise the security or functionality of the learning management system; and
- Sharing your username and password.

Submission of Assignments to Dropbox

The final assignment must be submitted online (Word document) in the **Dropbox** folder **Assignment Part 1** and **Assignment Part 2** which will have Turnitin enabled. When submitting your assignments using the **Dropbox** tool, do not leave the page until your assignment has successfully uploaded. To verify that your submission was complete, you can view the submission history immediately after the upload to see which files uploaded successfully. The system will also email you a receipt. Save this email receipt as proof of submission.

Be sure to keep a back-up copy of all of your assignments in the event that they are lost in transition. In order to avoid any last-minute computer problems, your instructor strongly recommends you save your assignments to a cloud-based file storage (e.g., Google Docs), or send to your email account, so that should something happen to your computer, the assignment could still be submitted on time or re-submitted.

It is your responsibility to submit your assignments on time as specified in the schedule section of this outline. Be sure to check the technical requirements and make sure you have the proper computer, that you have a supported browser, and that you have reliable Internet access. Remember that **technical difficulty is not an excuse not to turn in your assignment on time**. Don't wait until the last minute as you may get behind in your work.

If, for some reason, you have a technical difficulty when submitting your assignment electronically, please contact your instructor or [CourseLink Support](#).

<http://spaces.uoguelph.ca/ed/contact-us/>

Late Policy

Assignments Part 1 and 2 must be submitted online (Word document or pdf) in the **Dropbox** folder **Assignment Part 1** and **Assignment Part 2** which will have Turnitin. When submitting your assignments using the **Dropbox** tool, do not leave the page until your assignment has successfully uploaded. To verify that your submission was complete, you can view the submission history immediately after the upload to see which files uploaded successfully. The system will also email you a receipt. Save this email receipt as proof of submission.

* A late penalty of -10% **PER DAY**, up to 6 days, when late assignments will no longer be accepted, unless the Professor has granted you an extension.

Extensions will be considered for medical reasons or other extenuating circumstances. If you require an extension, discuss this with the instructor as soon as possible and well before the due date. Barring exceptional circumstances, extensions will not be granted once the due date has passed. These rules are not designed to be arbitrary, nor are they inflexible. They are designed to keep you organized, to ensure that all students have the same amount of time to work on assignments, and to help to return marked materials to you in the shortest possible time.

Obtaining Grades and Feedback

Unofficial assessment marks will be available in the **Grades** tool of the course website.

Your instructor will have grades posted online within 2 weeks of the submission deadline, if the assignment was submitted on time. Once your assignments are marked you can view your grades on the course website by selecting **Grades** from the **Tools** dropdown menu on the navbar. Your course will remain open to you for seven days following the last day of the final exam period.

University of Guelph degree students can access their final grade by logging into [WebAdvisor](#) (using your U of G central ID). Open Learning program students should log in to the [OpenEd Student Portal](#) to view their final grade (using the same username and password you have been using for your courses).

The provision of academic accommodation is a shared responsibility between OpenEd and the student requesting accommodation. It is recognized that academic accommodations are intended to “level the playing field” for students with disabilities.

Academic Misconduct

The University of Guelph is committed to upholding the highest standards of academic integrity and it is the responsibility of all members of the University community – faculty, staff, and students – to be aware of what constitutes academic misconduct and to do as much as possible to prevent academic offences from occurring. University of Guelph students have the responsibility of abiding by the University's policy on academic misconduct regardless of their location of study; faculty, staff and students have the responsibility of supporting an environment that discourages misconduct. Students need to remain aware that instructors have access to and the right to use electronic and other means of detection.

Please note: Whether or not a student intended to commit academic misconduct is not relevant for a finding of guilt. Hurried or careless submission of assignments does not excuse students from responsibility for verifying the academic integrity of their work before submitting it. Students who are in any doubt as to whether an action on their part could be construed as an academic offence should consult with a faculty member or faculty advisor.
