COURSE OUTLINE – SUMMER 2021

We acknowledge the University of Guelph sits on the treaty lands of the Mississaugas of the credit. We also acknowledge the significance of the Dish With One Spoon Covenant. We respect our Anishinaabe, Haudenosaunee, and Métis neighbours, as we strive to engage in the active process of decolonization and reconciliation. Today, this gathering place is home to many First Nations, Inuit, and Métis peoples, and we acknowledge this important connection to the land where we learn and work.

1. CALENDAR DESCRIPTION

This course enables students to extend their knowledge and professional skills in a second supervised placement in a health or social service agency. The practicum and seminar provides students with additional opportunities to integrate theoretical knowledge with practice experiences. Students are expected to assume additional responsibilities related to program design and implementation and in their supervised work with individuals and/or groups.

Credit Weight: 1.0 credits

Course Hours: 3-16 (36 lecture; 192 lab/seminar)

Pre-Requisite(s): FRHD*3250 or FRHD*3290, FRHD*3200 and FRHD*4330

Restriction(s): Restricted to students in B.A.Sc. ADEV, ADEV:C, CYF, CYF:C. Instructor consent required.

2. COURSE DESCRIPTION

In this course, students will not only work towards the stated objectives, but also evaluate their skills and interest in working with a population of interest. The course consists of:

A. Field Placement (24 hours per week):

Students are in the field for a total of 192 hours over an 8-week period. Schedules are arranged between the student and the practicum supervisor. Normally, failure to spend 192 hours in the field or being asked to leave placement early for unethical or unprofessional behaviour results in failure of the course. *For Summer 2021, students will be partnered with organizations for virtual placements rather than face-to-face placements.*

B. Seminar (3 hours per week on Fridays):

Students participate in weekly seminars. Students will spend time during seminar exploring and evaluating their experiences. Students will discuss events or issues that have occurred in the placement over the course of the week. The remaining time will be spent considering the topics which relate to practical work with children, youth, adults and their families such as: systems issues, program planning, best practice implementation, observation, time management, self-evaluation as well as issues related to working as a member of a professional team. Some weeks we will meet in large groups and other weeks in small groups. Students are expected to be available for the entire seminar time. *For Summer 2021, these seminars will be conducted online through Zoom. Links for these weekly classes will be posted to the course site.*

9. COURSE STATEMENTS

Personal Disclosure:

Learning is enhanced by exploring the interface between personal/professional experience and academic study (theory and research). Students are encouraged to explore this interface and should only reveal as little or as much information as they are comfortable sharing with faculty, and fellow students. The evaluation of student performance is not dependent upon student disclosure of private personal information. In order to create a safe learning environment, students are required to show tolerance for the viewpoints of others. Any abuse, attacks, acts of ridicule, profane language, harassment, etc., online or in the classroom, will not be tolerated.

Practicum Absences:

Students must email both their practicum supervisor and their course instructor regarding any absences from their practicum. Ideally, this email should be sent in advance of absence, or on the day of absence. Students are expected to complete their full 192 hours in their practicum placements. Missing hours may result in course failure. Further details are provided in the practicum manual.

Course Website:

There is a course website at <http://courselink.uoguelph.ca>. All components of this course will be housed on the CourseLink site including this course outline, assignments, and links to further resources. Your assignments will be submitted through the Dropbox function. Marks and feedback will also be released on the site. Please familiarize yourself with this website as soon as possible and visit it regularly throughout the semester.

Late Assignments:

All deadlines have a grace period of 48 hours. This means that there will not be docked marks if you submit before the extra 48 hours period expires. Please, do not treat the grace period as the deadline, because it is not. The deadline is a hard deadline and the grace period is in place to account for potential difficulties and life events that can occur at the time of the hard deadline.

Emails asking for late submission during the grace period are not needed and will not be answered: just submit within the grace period. CourseLink will say that it is late, but if it is within 48 hours of the deadline is within the grace period and it is not late.

No extensions over the grace period will be given. You can submit the assignment after the grace period has expired; however, your mark will be docked 10% per day including weekends EXCEPT under documented grounds for compassionate consideration. Assignments submitted more than one week late without documented grounds will receive a grade of zero. If you are going to hand an assignment in late, you must contact your course instructor to inform them when you will be submitting your assignment. This policy is in place to guarantee fairness for all students.

Receipt of Grades:

After you receive a grade on CourseLink, please review your feedback. Any inquiry or dispute over the grade must be made within two weeks from the date they are posted. If you fail to protest any grade during this time limit, changes to the grade will not be considered. [Grades will be based on the Grading Procedures outlined in the Undergraduate Calendar.](#)

Turnitin Software:

In this course, your instructor will be using Turnitin, integrated with the CourseLink Dropbox tool, to detect possible plagiarism, unauthorized collaboration or copying as part of the ongoing efforts to maintain academic integrity at the University of Guelph.

All submitted assignments will be included as source documents in the Turnitin.com reference database solely for the purpose of detecting plagiarism of such papers. Use of the Turnitin.com service is subject to the Usage Policy posted on the Turnitin.com site.

A major benefit of using Turnitin is that students will be able to educate and empower themselves in preventing academic misconduct. In this course, you may screen your own assignments through Turnitin as many times as you wish before the due date. You will be able to see and print reports that show you exactly where you have properly and improperly referenced the outside sources and materials in your assignment.

10. UNIVERSITY STATEMENTS

E-mail communication:

As per university regulations, all students are required to check their <uoguelph.ca> e-mail account regularly: e-mail is the official route of communication between the University and its students.

When you cannot meet a course requirement:

When you find yourself unable to meet in-course requirements due to illness or compassionate reasons, please advise the course instructor (or designated person, such as a teaching assistant) in writing with name, ID#, and email contact. [See the undergraduate calendar for information on regulations and procedures for Academic Consideration.](#)

Drop date:

Students have until the last day of classes to drop courses without academic penalty. The regulations and procedures for [Dropping Courses](#) are available in the Undergraduate Calendar.

Copies of out-of-class assignments:

Keep paper and/or other reliable back-up copies of all out-of-class assignments: you may be asked to resubmit work at any time.

Accessibility:

The University promotes the full participation of students who experience disabilities in their academic programs. To that end, the provision of academic accommodation is a shared responsibility between the University and the student.

When accommodations are needed, the student is required to first register with Student Accessibility Services (SAS). Documentation to substantiate the existence of a disability is required, however, interim accommodations may be possible while that process is underway.

Accommodations are available for both permanent and temporary disabilities. It should be noted that common illnesses such as a cold or the flu do not constitute a disability.

Use of the SAS Exam Centre requires students to book their exams at least 7 days in advance, and not later than the 40th Class Day.

Academic misconduct:

The University of Guelph is committed to upholding the highest standards of academic integrity and it is the responsibility of all members of the University community – faculty, staff, and students – to be aware of what constitutes academic misconduct and to do as much as possible to prevent academic offences from occurring. University of Guelph students have the responsibility of abiding by the University's policy on academic misconduct regardless of their location of study; faculty, staff and students have the responsibility of supporting an environment that discourages misconduct. Students need to remain aware that instructors have access to and the right to use electronic and other means of detection.

Please note: Whether or not a student intended to commit academic misconduct is not relevant for a finding of guilt. Hurried or careless submission of assignments does not excuse students from responsibility for verifying the academic integrity of their work before submitting it. Students who are in any doubt as to whether an action on their part could be construed as an academic offence should consult with a faculty member or faculty advisor.

[The Academic Misconduct Policy is detailed in the Undergraduate Calendar.](#)

Recording of materials:

Presentations which are made in relation to course work—including lectures—cannot be recorded or copied without the permission of the presenter, whether the instructor, a classmate or guest lecturer. Material recorded with permission is restricted to use for that course unless further permission is granted.
